

Yarn Substitutes for Rose Garden Sleeveless Top (Maggie's Rags Pattern S-00999)

Note that any worsted weight yarn may be used; however, the garment will be most successful if made from a non-wool, inelastic yarn, such as cotton, linen, silk, rayon, hemp, bamboo, etc.

If you want to make this garment in the original color, Cabin Fever, Cherry Tree Hill (<http://www.cherryarn.com>) has two yarns that are appropriate, North Country Cotton (available by special order) and Ladera.

North Country Cotton – this is a smooth 3-ply, with clear stitch definition in the knitted fabric

Ladera - this yarn has a slightly nubby texture, which is apparent in the knitted fabric. The rayon in the yarn creates a fabric that drapes beautifully.

Ladera (50% Raylon/44% Cotton/6% Nylon)
200 yards/4 oz.
Gauge: 20 sts/26 rows to 4" on US 6 needle
Color: *Surches*
Hand Wash, Lay Flat To Dry
To Maintain Color Quality, Vary Skeins

Wool In The Woods
Handpainted By Cherry Tree Hill
